VENTING RELEASE & PROMISE NOT TO WHINE AGREEMENT

I acknowledge that motocross schools are subject to a multitude of different opinions. I understand that the Instructors and volunteers are out there sweating and/or freezing their tails off (depending on the day), sacrificing a day's worth of riding so that I may become a better rider. I also respect the hard working efforts of the track crews that have slaved to make this a killer day, not to mention the photographers and video guys that are making me look so good, which by the way, I give full permission to any of the above mentioned to exploit any and all of my images for their own personal gain, as if I were that good anyway. Additionally, I greatly appreciate the sponsors kicking down good money to help finance the sport that I love, and often take for granted. I realize that there are no refunds made, ever, and happily encourage anybody to profit off my sorry ass. I understand that the officials are always right, and I am not, so I willingly accept any and all decisions made by the officials, instructors, and anyone else more important than me. I am scum. So, in order that we may all enjoy ourselves and have fun, I promise not to whine, cry, throw a hissy, tattle, or otherwise complain about the outcome of any part of this school (which also includes keeping my mini dad in check). Rock on!

So do I swear
